EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Gil on 02/02/2006.

Cancel claims 11, 13-21 and 23.

The following is an examiner's statement of reasons for allowance:

None of the applied references, either taken alone or in any combination, teaches or motivates one of ordinary skill to modify a known process to include the recited catalysts in the recited process. Likewise, an updated search failed to uncover a reference that either teaches or motivates one of ordinary skill to modify a known process to include the recited catalysts in the recited process.

Without acquiescing in the legal correctness of any outstanding rejection, but solely to bring the captioned application to allowance, Applicant has canceled the product by process claims, namely claims 11, 13-21 and 23. By doing so, Applicant reserves their right to file one or more divisional applications drawn to the canceled subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably Application/Control Number: 10/085,514

Conclusion

Page 4

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Karl J. Puttlitz whose telephone number is (571) 272-

0645. The examiner can normally be reached on Monday to Friday from 9 a.m. to 5

p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's

supervisor, Johann Richter, can be reached at telephone number (571) 272-0646. The

fax phone number for the organization where this application or proceeding is assigned

is 571-273-8300.

Information regarding the status of an application may be obtained from the

Patent Application Information Retrieval (PAIR) system. Status information for

published applications may be obtained from either Private PAIR or Public PAIR.

Status information for unpublished applications is available through Private PAIR only.

For more information about the PAIR system, see http://pair-direct.uspto.gov. Should

you have questions on access to the Private PAIR system, contact the Electronic

Business Center (EBC) at 866-217-9197 (toll-free).
